TMM 107 - RingO double pack thin Wall Mount (incl. adhesive mount)

In some cases an iPad on the wall would be perfect, but drilling is not an option: a boat or caravan for example, or a tiled bathroom. The RingO Wall Mount comes with an adhesive disk with super strong and fully tested double-sided tape, so you can stick a Wall Mount quickly and easily onto any suitable surface. The new Wall Mount is introduced in the Wall Mount Double Pack (TMM 107) which features two wall mounts, two adhesive disks and all the necessary mounting material.
